Call for Papers

All the researchers, academicians, scholars and activists who are working on climate change are invited to submit abstracts for the 3rd International Conference on Climate Change 2019 (ICCC 2019) which will be held on February 21st and 22nd 2019 in Kuala Lumpur, Malaysia. The theme of the conference is “Adaptation and Mitigation in practice : Local and Global innovations”

Global Platform to discuss climate change related challenges and innovative action

Climate change is one of the biggest challenges of 21st century and it is associated with Global warming due to rising atmospheric temperatures. The scientists have shown that the increased concentrations of greenhouse gases in the atmosphere including carbon dioxide, methane and nitrous oxide play a major role in Global warming.

Climate Change 2019 is the global platform for the discussion of new advances and research findings in the field of Climate Change. The conference will gather leading ecologists, chemists, physicists, biologists, material scientists, biomedical researchers, engineers, social workers and other researchers around the world who are active at the frontiers of this diverse and multidisciplinary field.
